

# Tell Me a Tale

[Michael Kiwanuka](#)

Tell me a tale that always was,  
Sing me a song that I'll always be in,  
Tell me a story that I can read,  
Tell me a story that I believe. Paint me a picture that I can see,  
Give me a touch that I can feel,  
Turn me around so I can be,  
Everything I was meant to be. Lord I need loving,  
Lord I need good, good loving.  
Lord I need loving,  
Lord I need good, good loving. Show me some strength that I can use,  
Give me a sound that I won't refuse,  
Tell me story that I can read,  
Tell me a story that I can believe. Tell me a tale that always was,  
Sing me a song that I'll always be in,  
Turn me around so I can be,  
Everything I was meant to be. Lord I need loving,  
Lord I need good, good loving. Lord I need loving,  
Lord I need good, good loving.  
Lord I need loving,  
Lord I need good, good loving. Lord I need loving,  
Lord I need good, good loving.
