Common love isn't for us We created something phenomenal Don't you agree? Don't you agree? You got me feeling diamond rich Nothing on this planet compares to it Don't you agree? Don't you agree? Who needs to go to sleep when I got you next to me?[REF.:] All night I'll riot with you I know you got my back, and you know I got you So come on, come on Let's get physical Lights out, follow the noise Baby, keep on dancing like you ain't got a choice So come on, come on Let's get physicalAdrenaline keeps on rushing in Love the simulation we're dreaming in Don't you agree? Don't you agree?I don't wanna live another life 'Cause this one's pretty nice Living it upWho needs to go to sleep when I got you next to me? [REF.:] All night I'll riot with you I know you got my back, and you know I got you So come on, come on Let's get physicalLights out, follow the noise Baby keep on dancing like you ain't got a choice So come on, come on Let's get physicalHold on Just a little tighter Come on Hold up Tell me if you're ready Come on Baby, keep on dancing Let's get physicalHold on Just a little tighter
