

# Titanic

## Juice WRLD

DY definitely Krazy  
Abandon all ships, it's about to go down  
I'm Titanic (Titanic)  
There's a lot going on in my head right now  
But I manage (But I manage)  
Good heart, good soul, both been in bad hands  
I can deal damage (Yeah, real damage)  
Both hands in the air as I scream out prayers  
My demons show their face in the midnight air  
Just got a new house, gotta hide the skeletons in  
the closet  
And keep 'em there, really tryna forget about 'em  
They tell me God watchin' over me, I don't doubt it  
But I can see 'em gettin' tired of me, sinnin' and wildin'  
Don't know what to do with myself these days  
Young rich nigga, I done fell in love with the pain  
But all this money don't rid me of my pain  
But everywhere I go, I could make it precipitate, rain  
Fucked up, I did  
Fucked up, I am  
Come down, I can't  
Shit, here we go again  
Abandon all ships, it's about to go down  
I'm Titanic (Titanic)  
There's a lot going on in my head right now  
But I manage (But I manage)  
Good heart, good soul, both been in bad hands  
I can deal damage (Yeah, real damage)  
Both hands in the air as I scream out prayers  
My demons show their face in the midnight air  
Set sail in the codeine bottle, I'ma drown in it,  
drown in it  
Shit fills me up, but whatever goes up goes down in it, down in it  
At the end of the day, I'm blessed, oh yes, crack a smile with it, smile with it  
Now frownin' again, life goes so fast, watch it blow in the wind  
Can't get time back, I been beggin' for it  
Fucked up, I did  
Oh, fucked up, I am  
Here we go again (Here we go again)  
Abandon all ships, it's about to go down  
I'm Titanic (Titanic)  
There's a lot going on in my head right now  
But I manage (But I manage)  
Good heart, good soul, both been in bad hands  
I can deal damage (Yeah, real damage)  
Both hands in the air as I scream out prayers  
My demons show their face in the midnight air  
Midnight air, midnight air

Midnight air (Midnight air), I'ma drown in here  
Midnight air (Midnight air), it's in the midnight air  
I'ma drown in it, no Titanic, Titanic
