

My Friend

SonReal

[Verse 1]

We grown now, you my only father and the only father I've known... and you old now. Bet your bottom dollar if it's up to me you wouldn't be alone, no no. You home now.. Smoking on the bong , hoping time ain't gonna fall like yeh. Im gone to be, quiet honest I need you more than you need you, and that's true. But I know, I know, I know its times like these... When family is the one and only thing we need, to get by. I know, I know, I know, I know I ain't no saint.

Neither is you I'm just you in a different way, so i say..[Chorus]

If I got you then I know I got something, If we ain't time then we ain't got nothin, ain't got hate then we ain't got lovin. If we ain't got each other than we ain't got nothin. It's all on you my friend, It's all on you my friend, It's all on you my friend, It's all on you my friend[Verse 2]

We grown now, you my only father and the only father I've known... and you so down, similar to me I'm hearin me up in ya every-time you phone, just so you know. Just slow down, only 59 got some life ahead of you so just roll. Don't go down, same damn road you've been heading since mama let go, now..[Chorus]

If I got you then I know I got something, If we ain't time then we ain't got nothin, ain't got hate then we ain't got lovin. If we ain't got each other than we ain't got nothin, Yeah if I got you then I know I got something, If we ain't time then we ain't got nothin, ain't got hate then we ain't got lovin. If we ain't got each other than we ain't got nothin. It's all on you my friend, It's all on you my friend, It's all on you my friend, It's all on you my friend, It's all on you my friend. It's all on you my friend, It's all on you my friend[Bridge]

I know, I know, I know its times like these... When family is the one and only thing we need. I know, I know, I know, I know I ain't no saint. Neither is you I'm just you in a different way and all I know is..

[Chorus]

If I got you then I know I got something, If we ain't time then we ain't got nothin, ain't got hate then we ain't got lovin. If we ain't got each other than we ain't got nothin, Yeah if I got you then I know I got something, If we ain't time then we ain't got nothin, ain't got hate then we ain't got lovin. If we ain't got each other than we ain't got nothin. It's all on you my friend, It's all on you my friend, It's all on you my friend, It's all on you my friend, It's all on you my friend, It's all on you my friend. It's all on you my friend, It's all on you my friend. It's all on you...
