Hyung (feat. Dok2, Simon Dominic & Tiger JK)

Dumbfoundead

I'm a hyung, since i was young Get your bread up i ain't playin'

With you crumbs

Ima stunt, cause i'm a hyung

I'm your hyung's, hyung's, hyung's

Hyung's, hyung's, hyung, hold upI'm on my hyung shit, i'm on my hyung shit

You ain't a hyung

Pockets are young, you haven't done shit

But fuck all that hyung

Shit, fuck all that hyung shit

I'm your hyung's, hyung's, hyung's

Hyung's, hyung's, hyung, HYUNG SHIT!

I've been a hyung, they use two hands

When pourin' me rum, pour up

Walk in the room, make it all quiet

They holding' their tongues, hold up

Show me respect, i'll show it back

Thats the code of conduct

I could give a fuck if your bitch ass older

Your bitch call me oppa

Mi vida loca

No matter the age go out and rage

Zach de la rocha

I'm wearing designer ooh

You forever 21 ayy

You'll forever be a bum

Never be a hyung, yeee

I'm a hyung, since i was young

Get your bread up i ain't playin'

With you crumbs
