

Good People

Jack Johnson

You win, it's your show now
So what's it gonna be?
'Cause people will tune in
How many train wrecks do we need to see?
Before we lose touch of
We thought this was low
It's bad gettin' worse, ah Where'd all the good people go
I've been changin' channels
I don't see them on the TV shows
Where'd all the good people go
We got heaps and heaps of what we sow
They got this and that
With a rattle-a-tat
Testing one two
Now whatcha gonna do?
Bad news, misused, got too much to lose
Gimme some truth
Now who's side are we on?
Whatever you say
Turn on the boob tube
I'm in the mood to obey
So lead me astray
And by the way, now Where'd all the good people go?
I've been changin' channels
I don't see them on the TV shows
Where'd all the good people go
We got heaps and heaps of what we sow
Sitting round feeling far away
So far away but I can feel the debris
Can you feel it?
You interrupt me from a friendly conversation
To tell me how great it's all gonna be
You might notice some hesitation
It's important to you is not important to me
Way down by the edge of your reasons
It's beginning to show
And all I really wanna know is. Where'd all the good people go
I've been changin' channels
I don't see them on the TV shows
Where'd all the good people go
We got heaps and heaps of what we sow They got this and that
With a rattle-a-tat

Testing one, two
Man what you gonna do?
Bad news, misused, gimme some truth
You got too much to lose
Who's side are we on?
Anyway ok, whatever you say
Wrong or resolute but in the mood to obey
Station to station desensitizing the nation
Going Going Gone...
