Kings & Queens

Ava Max

If all of the kings had their queens on the throne We would pop champagne and raise a toast To all of the queens who are fighting aloneBaby, you're not dancing on your ownCan't live without me, you wanna, but you can't, nah-nah-nah Think it's funny, but honey, can't run this show on your own I can feel my body shake, there's only so much I can take I'll show you how a real queen behavesOh, no damsel in distress, don't need to save me Once I start breathing fire, you can't tame me And you might think I'm weak without a sword But if I had one, it'd be bigger than yours If all of the kings had their queens on the throne We would pop champagne and raise a toast To all of the queens who are fighting alone Baby, you're not dancing on your ownDisobey me, then baby, it's off with your head Gonna change it and make it a world you won't forgetOh, no damsel in distress, don't need to save me Once I start breathing fire, you can't tame me And you might think I'm weak without a sword But I'm stronger than I ever was beforeIf all of the kings had their queens on the throne We would pop champagne and raise a toast To all of the queens who are fighting alone Baby, you're not dancing on your ownIn chess, the king can move one space at a time But queens are free to go wherever they like You get too close, you'll get a royalty high So breathe it in to feel the life If all of the kings had their queens on the throne We would pop champagne and raise a toast To all of the queens who are fighting alone Baby, you're not dancing on your ownOh-oh-oh-oh-oh, oh-oh Oh-oh-oh-oh-oh, oh-oh
