

Wash My World (Dim Chris Remix)

Laurent Wolf

Clean up the desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls
Clean up the streets from the cars and trucks
Clean up the desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls
Ohhh
Wash my world
Wash my world
My world...
Wash my world
Uh uh uh uh
From the grey sky (sky... sky... sky... sky...)
Ohhh
Wash my world
Wash my world
Think about the children
Ohhh please
Wash my world
For the birds in the trees
No war, no war, oh!
Clean up the desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls
Clean up the streets from the cars and trucks
(Yeah. Yeah.)
Clean up the desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls
(Yeah. Yeah.)
Wash my world
Wash my world
My world
Sorry. Sorry. Sorry. Sorry.
Wash my world
From the grey sky... sky... sky... sky...
Ohhhh
Clean up the desert from the bombs and guns
Clean up the sky from the smoke and dust
Clean up the sea for the boys and girls. girls. girls. girls.
Wash my world
