

# Cassie

## Flyleaf

I  
Will  
Say  
YES!!!

The question asked in order  
To save her life or take it  
The answer "No" to avoid death  
The answer "Yes" would make it  
Make it "Do you believe in God?"

Written on the bullet  
Say "Yes" to pull the trigger  
"Do you believe in God?"

Written on the bullet  
And Cassie pulled the trigger  
All heads are bowed in silence  
To remember her last sentence

She answered him knowing what would happen  
Her last words still hanging in the air  
In the air "Do you believe in God?"

Written on the bullet  
Say "Yes" to pull the trigger  
"Do you believe in God?"

Written on the bullet  
And Rachel pulled the trigger  
Say yes and pull the trigger How many will die

I will die

I, I,

Will say "Yes"

And Cassie pulled the trigger  
"Do you believe in God?"

Written on the bullet  
And Rachel pulled the trigger  
"Do you believe in God?"

Written on the bullet  
And I will pull the trigger.
