There's No Other Way (Single Version)

Blur

You're taking the fun

Out of everything

Making me run

When I don't want to think

You're taking the fun

Out of everything

I don't want to think at allThere's no other way

There's no other way

All that you can do

Is watch them playThere's no other way

There's no other way

All that you can do

Is Watch them play

You're taking the fun

Out of everything

You're making it clear

When I don't want to think

You're taking me up whenI don't want to go up anymore

I'm just watching it all

There's no other way

There's no other way

All that you can do

Is watch them playI'll watch you play

I'll Watch you playThere's no other way

There's no other way

All that you can do

Is watch them play

There's no other way

There's no other way

All that you can do

Is watch them playThere's no other way

There's no other way

All that can you do

Is watch them playThere's no other way

There's no other way

All that can you do

Is watch them play
