

# Looking For a Stranger (2002 Remaster)

Pat Benatar

I had it with the same old routine  
I had it with the same old faces, places  
Everynight, in my life  
I started feeling washed up, washed out  
Hung up, wrung out, left to dry out  
Everynight  
But I know  
Yeah, I know you're out there, somewhere  
Oh, I, I can almost hear you callin'  
I'm Looking For A Stranger in the night  
I need a little danger in my life, tonight  
I'm tired of the same old -  
Hello baby, how ya doun'? Come here often?"  
Where have you been all my life?"  
EverynightBut I know  
That someday, somewhere  
I'll turn around and you'll be there  
Ooo., In my life  
Everynight  
But I know  
Yeah, I know you're out there, somewhere  
Oh, I, I can almost hear you callin'  
I'm Looking For A Stranger in the night  
I need a little danger in my life, tonightI'm Looking For A Stranger in the night  
I need a little danger in my life, tonight
