

Open Heart (Swindle Remix)

Zara McFarlane & Swindle

Dear, don't tell me what to do
Once I had lost you
Now nothing's left for me
Now this ride has come through So I guess I'll just sit back
And watch this blazing view AN OPEN HEART IS BOTH A LOCK AND KEY
AN OPEN HEART IS BOTH A LOCK AND KEY Could I squeeze the life back in
To what we were, was and have been?
Left all your absences
To things I wanted to believe
It's funny how I am the only one
That's left alone now, unseen
AN OPEN HEART IS BOTH A LOCK AND KEY
AN OPEN HEART IS BOTH A LOCK AND KEY I gave and gave and gave and gave away
Everything I had to own AN OPEN HEART IS BOTH A LOCK AND KEY
AN OPEN HEART IS BOTH A LOCK AND KEY
I never let you know
How much I loved you so AN OPEN HEART IS BOTH A LOCK AND KEY
AN OPEN HEART IS BOTH A LOCK AND KEY
