

# The Business of Emotion (feat. White Sea)

## Big Data

Oh I been watching you  
I'm gonna get you high  
The things I do to you  
They're gonna make you cry  
Doesn't matter if you like it or not  
Doesn't matter if you don't wanna play my game  
Should of never ever ever forgot  
You signed up  
You gotta participate  
Doesn't matter if you need it or not  
Doesn't matter to me 'cause you're all the same  
Should of never ever ever forgot  
You signed up  
Now there's no escape  
Feel good  
Make you feel good  
I'm looking for emotion  
So I know just what to show you  
I can see you  
See your answers  
This business of emotion  
Yeah I know just what to show you, baby  
There's no consequence  
Gonna rob you blind  
Feed my experiments  
Gonna bleed you dry  
Doesn't matter if you like it or not  
Doesn't matter if you don't wanna play my game  
Should of never ever ever forgot  
You signed up  
You gotta participate  
Doesn't matter if you need it or not  
Doesn't matter to me 'cause you're all the same  
Should of never ever ever forgot  
You signed up  
Now there's no escape  
Feel good  
Make you feel good  
I'm looking for emotion  
So I know just what to show you  
I can see you  
See your answers  
This business of emotion  
Yeah I know just what to show you, baby  
Heart and soul  
Bought and sold  
It's good as gold  
This business of emotion  
Heart and soul

Bought and sold  
It's good as gold  
This business of emotion Doesn't matter if you like it or not  
Doesn't matter if you don't wanna play my game  
Should of never ever ever forgot  
You signed up  
You gotta participate Doesn't matter if you need it or not  
Doesn't matter to me 'cause you're all the same  
Should of never ever ever forgot  
You signed up  
Now there's no escape Feel good  
Make you feel good  
This business of emotion  
Yeah I know just what to show you, baby Feel good  
Make you feel good  
I'm looking for emotion  
So I know just what to show you  
I can see you  
See your answers  
This business of emotion  
Yeah I know just what to show you, baby Doesn't matter if you like it or not  
Doesn't matter if you don't wanna play my game  
Yeah I know just what to show you, baby Doesn't matter if you need it or not  
Doesn't matter to me 'cause you're all the same  
Yeah I know just what to show you, baby
