

# Big Mistake

Natalie Imbruglia

There's no sign on the gate  
And there's mud on your face  
Don't ya think it's time we reinvestigate the situation  
Put some fruit on you plate You've forgotten how it started  
Close you eyes  
Think of all the bubbles of love we made And you're down on your knees  
It's too late, oh don't come crawlin'  
And you lay by my feed  
What a big mistake, I see you fallin Got a buzz in my head  
And my flowers are dead  
Can't figure out a way to rectify this situation  
Don't believe what you said  
You've forgotten how it started  
Close you eyes  
Think of all the bubbles of love we made And you're down on your knees  
It's too late, oh don't come crawlin'  
And you lay by my feed  
What a big mistake, I see you fallin I could sting like a bee  
Careful how you treat me  
Baby I don't think I'll accept your sorry invitation  
Close the door as you leave You've forgotten how it started  
Close you eyes  
Think of all the bubbles of love we made And you cry over me  
I can't wait, I feel you stalling  
And you try to reach me  
What a big mistake, I hear you calling  
And you're down on your knees  
It's too late, oh don't come crawlin'  
And you lay by my feed  
What a big mistake, I see you fallin END...
