

The Notel Motel

Aaron Watson

G C

He starts to think when she winks that he's somewhere he shouldn't be

G D

He may be alone but at home someone's wearing his ring

G C

So he heads for the door and ignores the devil on his shoulder

D G

He'll do the right thing but someone's gonna break down and hold her

Chorus:

D C G

And there's a vacancy at home but not tonight at the Notel Motel

D C G

In a room full of lies where love is stolen or put up for sale

D C G

If the walls could talk you know they'd have some stories to tell

D C G

There's a vacancy at home but not tonight at the Notel Motel

G C

Once again another man walks in and orders him drinks for two

G D

Despite his wife and picture perfect life he's too good to be true

G C

While he's flirting she'd swear he's working on a job out of town

D G

A married man, you know he's got no business messing around

Chorus:

D C G

And there's a vacancy at home but not tonight at the Notel Motel

D C G

In a room full of lies where love is stolen or put up for sale

D C G

If the walls could talk you know they'd have some stories to tell

D C G

There's a vacancy at home but not tonight at the Notel Motel

G C

It's a five star chain or a run down dirt cheap no name

D G

With or without room service what done is the same

Chorus:

D C G

And there's a vacancy at home but not tonight at the Notel Motel

D C G

In a room full of lies where love is stolen or put up for sale
D C G
If the walls could talk you know they'd have some stories to tell
D C G
There's a vacancy at home but not tonight at the Notel Motel
