Trouble

Never Shout Never

I'm in trouble I'm an addict I'm addicted to this girl She's got my heart tied in a knot And my stomach in a whirl But even worse I can't stop calling herShe's all I want and more I mean damn What's not to adore? I've been playing too much guitar I've been listening to jazz I called so many times I swear she's going mad And that cellular will be the death of us I swear, I swear And ohO-oh, o-oh, o-ooh Ooooh I'm running my mouth Just like I got her But I surely don't Because she's so O-oh, o-oh, o-oohRock 'n roll And out of my league Is she out of my league? Let's hope not I'm in trouble I'm so cliché See that word just wears me out Makes me feel like just another boy To laugh and joke about But even worseI can't stop calling her I love to hear that voice And honestly I'm left with no choice I've been playing too much guitar I've been listening to jazz I called so many times I swear she's going mad And that cellular will be the death of us I swear. I swear And oh

O-oh, o-oh, o-ooh

Ooooh
I'm running my mouth
Just like I got her
But I surely don't
Because she's so
O-oh, o-oh, o-ooh
Rock 'n roll
And out of my league
Is she out of my league?
Let's hope not
And oh
O-oh, o-oh, o-ooh
Ooooh, oooh
