

If Ever You're In My Arms Again

Peabo Bryson

It all came so easy
All the lovin' you gave me
The feelings we shared
And I still can remember
How your touch was so tender
It told me you cared We had a once in a lifetime
But I just couldn't see
Until' it was gone
A second once in a lifetime
May be too much to ask
But I swear from now on
If ever you're in my arms again
This time I'll love you much better
If ever you're in my arms again
This time I'll hold you forever
This time we'll never end Now I'm seen clearly
How I still need you near me
I still love you so
There's something between us
That won't ever leave us
There's no letting go
(No letting go) We had a once in a lifetime
But I just didn't know it
'Til my life fell apart
A second once in a lifetime
Isn't too much to ask
'Cause I swear from the heart
If ever you're in my arms again
This time I'll love you much better
If ever you're in my arms again
This time I'll hold you forever
This time we'll never end, never end The best of romances
Deserve second chances
I'll get to you somehow
'Cause I promise now If ever you're in my arms again
This time I'll love you much better
If ever you're in my arms again
This time I'll hold you forever
This time we'll never end If ever you're in my arms again
This time I'll love you much better
If ever you're in my arms again
This time I'll hold you forever

This time we'll never end
If ever you're in my arms again
This time I'll love you much better
If ever you're in my arms again
This time I'll hold you forever
This time we'll never end
If ever you're in my arms again
