

# Come Alive

## Hugh Jackman, Keala Settle, Daniel Everidge, Zendaya & The Greatest Showman Ensemble

You stumble through your days  
Got your head hung low  
Your skies are a shade of grey  
Like a zombie in a maze  
You're asleep inside  
But you can shake awake 'Cause you're just a dead man walking  
Think of that your only option  
But you can flip the switch and brighten up your darkest day  
Sun is up and the color's blinding  
Take the world and redefine it  
Leave behind a Hero Man  
You'll never be the same  
Come alive, come alive  
Go and ride your light  
Let it burn so bright  
Reach it up  
To the sky  
And it's open wide  
You're electrified And the world becomes a fantasy  
And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And you know, you can't go back again  
To the world that you were living in  
'Cause you're dreaming with your eyes wide open  
So, come alive!  
I see it in your eyes  
You believe that lie  
That you need to hide your face  
Afraid to step outside  
So you lock the door  
But don't you stay that way! No more living in those shadows  
You and me, we know how that goes 'Cause once you see it, oh you'll never, never be the same  
Little bit of life it's taken  
Bottle up, but keep on shining You can prove there's more to you You cannot be afraid Come  
alive, come alive  
Go and ride your light  
Let it burn so bright  
Reach it up  
To the sky  
And it's open wide  
You're electrified And the world becomes a fantasy

And you're more than you could ever be  
'Cause you're dreaming with your eyes wide open  
And we know, we can't be go back again  
To the world that we were living in  
'Cause we're dreaming with our eyes wide open  
So, come alive! Come one!

Come all!

Come in!

Come on! To anyone who's bursting with a dream

Come one!

Come all!

You hear!

The call! To anyone who's searching for a way, to break free And the world becomes a fantasy

And you're more than you could ever be

'Cause you're dreaming with your eyes wide open

And we know, we can't be go back again

To the world that we were living in

'Cause we're dreaming with our eyes wide open And the world becomes a fantasy

And you're more than you could ever be

'Cause you're dreaming with your eyes wide open

And we know, we can't be go back again

To the world that we were living in

'Cause we're dreaming with our eyes wide open 'Cause we're dreaming with our eyes wide open

So come alive
