That's What Love Is For

Amy Grant

Sometimes we make it harder than it is We'll take a perfect night And fill it up with words we don't mean Dark sides best unseen And we wonder why we're feeling this waySometimes I wonder if we really feel the same Why we can be unkind Questioning the strongest of hearts That's when we must start Believing in the one thing that has gotten us this farThat's what love is for To help us through it That's what love is for Nothing else can do it Melt our defenses Bring us back to our senses Give us strength to try once more Baby, that's what love is forSometimes I see you and you don't know I am there And I'm washed away by emotions I hold deep down inside Getting stronger with time It's living through the fire and holding on we findThat's what love is for To help us through it That's what love is for Nothing else can do itMelt our defenses Bring us back to our senses Give us strength to try once more Baby, that's what love is for Believing in the one thing That has gotten us this farThat's what love is for To help us through it That's what love is for Nothing else can do itRound off the edges Talk us down from the ledges Give us strength to try once more Baby, that's what love is for That's what love is for That's what love is for That's what love is forMelt our defenses Bring us back to our senses Give us strength to try once more Baby, that's what love is for Nothing else can do it
