

One of These Mornings

Moby

One of these mornings
It won't be very long
You will look for me
I'll be gone...One of these mornings
It won't be very long
You will look for me
I'll be gone...One of these mornings
One of these mornings
It won't be very long
It won't be very long
You will look for me
You will look for me
I'll be gone...
I'll be gone...
I'll be gone...
And I'll be gone...
I'll be gone...
And I'll be gone...
I'll be gone... You will look for me
I'll be gone...
You will look for me
I'll be gone...
You will look for me
I'll be gone...
You will look for me
I'll be gone
One of these mornings
Won't be very long
You will look for me
I'll be gone.
