

Let Me See

Morcheeba

Who can you trust when you need to?
Why do we rust when we heed you?
Crashing back down to earth I've found
We can love Oh, let me see
All of the places that I can be
Oh, let me know
All of the places where we can go Do you ever think in bubbles?
Do you ever shake up troubles?
Falling apart right from the start
Crawling 'round
Oh, let me see
All of the places that I can be
Oh, let me know
All of the places where we can go Show us how to stand up, strong
Waiting, for you takes so long
Shadows leave us standing naked
We can't fake it Oh, let me see
All of the places that I can be
Oh, let me know
All of the places where we can go
Oh, let me see
All of the places that I can be
Oh, let me know
All of the places where we can go
