

Gotta Move On

Tamia

Every now and then
I seem to get this funny feelin'
When it comes to me and you
Can't say how or when
But your love keeps takin' over
And I don't know what to do Well, I think that you oughta let me know what
What you're gonna do, baby
'Coz time's wasting, baby, much too fast
And I need to know if it's true
So baby, let me know Baby, let me know if you want me
I really wanna know if you want me
And baby, if you don't tell me somethin'
I gotta move on
'Coz everybody need a little lovin'
And you're the only one that I wanna be with
I'm sorry if you don't tell me somethin'
But I gotta move on Baby, understand
I need more than conversation
I need action from a man
'Coz I'll do all I can
To keep our love from goin' under
Now it's time you take a stand Well, I think that you oughta let me know what
What you're gonna do, you're gonna do
'Coz time's wasting, baby, much too fast
And I need to know if it's true
So baby, let me know
Baby, let me know if you want me
I really wanna know if you want me
And baby, if you don't tell me somethin'
I gotta move on 'Coz everybody need a little lovin'
And you're the only one that I wanna be with
I'm sorry if you don't tell me somethin'
But I gotta move on Baby, let me know if you want me
I really wanna know if you want me
And baby, if you don't tell me somethin'
I gotta move, I gotta move 'Coz everybody need a little lovin'
And you're the only one that I wanna be with
I'm sorry if you don't tell me somethin'
I've gotta move on Well, I gotta move, move on, gotta move
Well, I gotta move, move on, gotta move Baby, let me know if you want me
I really wanna know if you want me
And baby, if you don't tell me somethin'

I gotta move on'Coz everybody need a little lovin'
And you're the only one that I wanna be with
I'm sorry if you don't tell me somethin'
But I gotta move onBaby, let me know if you want me
I really wanna know if you want me
And baby, if you don't tell me somethin'
I gotta move on'Coz everybody need a little lovin'
And you're the only one that I wanna be with
I'm sorry if you don't tell me somethin'
And I gotta move, move onBaby, let me know if you want me
I really wanna know if you want me
And baby, if you don't tell me somethin'
I gotta, gotta move on'Coz everybody need a little lovin'
And you're the only one that I wanna be with
I'm sorry if you don't tell me somethin'
Baby, the only one I wanna be withBaby, let me know if you want me
I really wanna know if you want me
Gotta move
'Coz everybody need a little lovin'
And you're the only one that I wanna be with
Gotta moveBaby, let me know if you want me
I really wanna know if you want me
And baby, if you don't tell me somethin'
Gotta move
'Coz everybody need a little lovin'
