

# Gotta Move On

Tamia

Every now and then  
I seem to get this funny feelin'  
When it comes to me and you  
Can't say how or when  
But your love keeps takin' over  
And I don't know what to do Well, I think that you oughta let me know what  
What you're gonna do, baby  
'Coz time's wasting, baby, much too fast  
And I need to know if it's true  
So baby, let me know Baby, let me know if you want me  
I really wanna know if you want me  
And baby, if you don't tell me somethin'  
I gotta move on  
'Coz everybody need a little lovin'  
And you're the only one that I wanna be with  
I'm sorry if you don't tell me somethin'  
But I gotta move on Baby, understand  
I need more than conversation  
I need action from a man  
'Coz I'll do all I can  
To keep our love from goin' under  
Now it's time you take a stand Well, I think that you oughta let me know what  
What you're gonna do, you're gonna do  
'Coz time's wasting, baby, much too fast  
And I need to know if it's true  
So baby, let me know  
Baby, let me know if you want me  
I really wanna know if you want me  
And baby, if you don't tell me somethin'  
I gotta move on 'Coz everybody need a little lovin'  
And you're the only one that I wanna be with  
I'm sorry if you don't tell me somethin'  
But I gotta move on Baby, let me know if you want me  
I really wanna know if you want me  
And baby, if you don't tell me somethin'  
I gotta move, I gotta move 'Coz everybody need a little lovin'  
And you're the only one that I wanna be with  
I'm sorry if you don't tell me somethin'  
I've gotta move on Well, I gotta move, move on, gotta move  
Well, I gotta move, move on, gotta move Baby, let me know if you want me  
I really wanna know if you want me  
And baby, if you don't tell me somethin'

I gotta move on'Coz everybody need a little lovin'  
And you're the only one that I wanna be with  
I'm sorry if you don't tell me somethin'  
But I gotta move onBaby, let me know if you want me  
I really wanna know if you want me  
And baby, if you don't tell me somethin'  
I gotta move on'Coz everybody need a little lovin'  
And you're the only one that I wanna be with  
I'm sorry if you don't tell me somethin'  
And I gotta move, move onBaby, let me know if you want me  
I really wanna know if you want me  
And baby, if you don't tell me somethin'  
I gotta, gotta move on'Coz everybody need a little lovin'  
And you're the only one that I wanna be with  
I'm sorry if you don't tell me somethin'  
Baby, the only one I wanna be withBaby, let me know if you want me  
I really wanna know if you want me  
Gotta move  
'Coz everybody need a little lovin'  
And you're the only one that I wanna be with  
Gotta moveBaby, let me know if you want me  
I really wanna know if you want me  
And baby, if you don't tell me somethin'  
Gotta move  
'Coz everybody need a little lovin'
