## One For the Road

## **Arctic Monkeys**

One for the road, oooh oooh

One for the road, oooh ooohFrom the bottom of your heart

The relegation zone

I saw this coming from the start

The shake, rattle and roll

The cracks in blackout blinds cast patterns on the ceiling

But you're feeling fine

I thought it was dark outside

I thought it was dark outside

(One for the road)

So we all get back to yours and you sit and talk to me on the floor There's no need to show me round baby

I feel like I've been here before

I've been wonderin' whether later when you tell everybody to go Will you pour me one for the road? I knew this would be on the cards

I knew you wouldn't fold

I saw this comin' from the start

The shake, rattle and roll(One for the road)

So we all get back to yours and you sit and talk to me on the floor

There's no need to show me round baby

I feel like I've been here before

I've been wonderin' whether later when you tell everybody to go

Will you pour me one for the road?

The mixture hits you hard

Don't get that sinking feeling

Don't fall apart

Some out of tune guitar

Soundtrack to disaster

Oooh oooh, one for the road

Oooh oooh

Oooh oooh

Oooh oooh

Oooh oooh(One for the road)

So we all get back to yours and you sit and talk to me on the floor There's no need to show me 'round baby

I feel like I've been here before

I've been wonderin' whether later when you tell everybody to go

Will you pour me one for the road?
