

Retrograde

Dinah Jane

[Verse 1]

She invite me to the club
And you know I'm gonna go
If you don't come with me, baby
Better be solo'Cause I want all the smoke
Don't provoke
I need flex, to my mind
So you better
Come now, else it's the bed
And I still love the sex
It's the best, I confess (ooh)

[Bridge]

Long time, oh
It's been a long time
And I just can't seem to get you off of my mind
Try to hold and push on that rewind
You say you're with nobody else
You know you're mine, mine, mine, mine, hey [Pre-Chorus]
Counting votes
Pull away
Play that back
Retrograde
You should be here
You're all over the place (where you at?)

[Chorus]

Run that back
Retrograde, retrograde, retrograde
Run that back, run that back
Retrograde, retrograde, retrograde
You should be here [Verse 2]
You've still been getting down
Always fronting
Telling people I've been tripping over nothing
And you say I'm kinda feisty, likey
Ain't no other bitch like me, wifey Down my spine
And I know you see the stars align
We should make a better round one time
