

# Got the Feelin'

## Five

Here we go again with the beats we got your heads  
Bumpin' now your jumpin' from your seats if this is what  
You wantin' over there throw your hands up in the air  
Because you know it goin' to be sound so unique  
Now everybody's movin', everybody's groovin'  
Gettin' down with five when we come your way  
Move it to the left and now you shake it to the right  
Because you know we gotta keep this party pumpin'  
Thru to the night yea check me out now Seven, six, five, four, three, two, one  
I'm on the microphone gotcha hot like the sun  
So I'm one, two, three, now I'm waitin' on the four  
Get down the one and turn it up a little more  
If you got the feelin' jump up to the ceiling  
I'll be gettin' down tonight  
One if your gone and two if your want it  
And three 'cause everything's alright  
If you got the feelin' then lets stop the dreamin'  
I'll be gettin' down tonight  
Its just around the corner and tell me if you want it  
Five will make you feel alright Movin' up to the back of the track  
We got it goin' on were the leaders of the pack  
Now if you feel alright, hold it tight, see we wanna carry on  
'Cause we're gonna take you throw into the dawn  
Now everybody's movin', everybody's groovin'  
Gettin' down with five when we come your way  
So raise up your arms if we drop it on the one  
See were gonna carry on because the fun has  
Just begun check us out now  
Seven, six, five, four, three, two, one  
I'm on the microphone gotcha hot like the sun  
So I'm one, two, three, now I'm waitin' on the four  
Get down the one and turn it up a little more If you got the feelin' jump up to the ceiling  
I'll be gettin' down tonight  
One if your gone and two if you want it  
And three 'cause everything's alright  
If you got the feelin' then lets stop the dreamin'  
I'll be gettin' down tonight  
Its just around the corner tell me if you want it  
Five will make you feel alright If you got the feelin' jump up to the ceiling  
I'll be gettin' down tonight  
One if your gone and two if you want it  
And three cause everything's alright

If you got the feelin' then lets stop the dreamin'  
I'll be gettin' down tonight  
Its just around the corner and tell me if you want it  
Five will make you feel alrightIf you got the feelin' jump up to the ceilin  
I'll be gettin' down tonight  
One if your gone and two if you want it  
And three cause everything's alright  
If you got the feelin then lets stop the dreamin'  
I'll be gettin' down tonight

Five will make you feel alrightIf you got the feelin' jump up to the ceilin

And three cause everything's alright  
If you got the feelin then lets stop the dreamin'  
I'll be gettin' down tonight  
Its just around the corner and tell me if you want it  
Five will make you feel alright
