## Cars

## **Gary Numan**

Cars Here in my car I feel safest of all I can lock all my doors It's the only way to liveIn cars Here in my car I can only receive I can listen to you It keeps me stable for daysIn cars Here in my car The image breaks down Will you visit me please If I open my door In cars Here in my car I know I've started to think About leaving tonight Although nothing seems right In cars I know I've started to think I know I've started to think
