Last Christmas

Wham!

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone specialLast Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears

I'll give it to someone specialOnce bitten and twice shy

I keep my distance, but you still catch my eye

Tell me baby, do you recognize me? Well, it's been a year, it doesn't surprise me

"Merry Christmas" I wrapped it up and sent it

With a note saying "I love you", I meant it

Now I know what a fool I've been

But if you kissed me now, I know you'd fool me again

Last Christmas I gave you my heart

But the very next day you gave it away

This year, to save me from tearsI'll give it to someone special

Last Christmas I gave you my heart

But the very next day you gave it away

This year, to save me from tearsI'll give it to someone special

OooohhhhOh oh baby

A crowded room, friends with tired eyes

I'm hiding from you and your soul of ice

My god, I thought you were someone to rely onMe? I guess I was a shoulder to cry on

A face on a lover with a fire in his heart

A man under cover but you tore me apart

Oh oh now I've found a real love

You'll never fool me again

Last Christmas I gave you my heart

But the very next day you gave it away

This year, to save me from tearsI'll give it to someone special, special

Last Christmas I gave you my heart

But the very next day you gave it away

This year, to save me from tears

I'll give it to someone special

Special

A face on a lover with a fire in his heart (I gave you mine)

A man under cover but you tore him apart

Maybe next year I'll give it to someone

I'll give it to someone special

Special

So long...
