

# Stay With Me

## Finch

Once again your eyes  
Make it hard to say goodbye  
So I'll just keep driving  
Where you wanna go  
It doesn't really matter  
As long as you are here with me  
With me  
With meWhooooa  
There's something in the air tonight  
Something that makes me feel alive  
And I said whoooa  
What were the words that you said to me  
That made me feel so special now  
Once again your eyes  
Make it hard to ask you why  
So I sit here knuckles tight  
Hands against the wheel  
Your head against the glass  
And you mean so much to me  
To me  
To meWhooooa  
There's something in the air tonight  
Something that makes me feel alive  
And I said whooa  
What were the words that you said to me  
That made me feel so special  
Stay with me  
Cigarettes in open air  
Hand in hand  
And I said stay with me  
Cause every star that I see  
Is brighter than the lastSo stay with me  
Cigarettes in open air  
Hand in hand  
And I said stay with me  
Cause every star that I see  
Is brighter than the lastSo stay with me  
Cigarettes in open air  
Hand in hand  
And I said stay with me  
Cause every star that I see  
Is brighter than the lastSo stay with me

Cigarettes in open air  
Hand in hand  
And I said stay with me  
Cause every star that I see  
Is brighter than the last So stay with me...
