Would You Go With Me

Josh Turner

Would you go with me if we rolled down streets of fire Would you hold on to me tighter as the summer sun got higher If we roll from town to town and never shut it downWould you go with me if we were lost in fields of clover Would we walk even closer until the trip was over And would it be okay if I didn't know the wayIf I gave you my hand would you take it And make me the happiest man in the world If I told you my heart couldn't beat one more minute without you, girl Would you accompany me to the edge of the sea Let me know if you're really a dream I love you so, so would you go with meWould you go with me if we rode the clouds together Could you not look down forever If you were lighter than a feather Oh, and if I set you free, would you go with me If I gave you my hand would you take it And make me the happiest man in the world If I told you my heart couldn't beat one more minute without you, girl Would you accompany me to the edge of the sea Help me tie up the ends of a dream I gotta know, would you go with me I love you so, so would you go with me Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
