You Oughta Know (2015 Remastered)

Alanis Morissette

I want you to know that I'm happy for you
I wish nothing but the best for you bothAn older version of me, is she perverted like me
Would she go down on your in a theatre?

Does she speak eloquently? And would she have your baby?

I'm sure she'd make a really excellent mother'Cause the love that you gave that we made wasn't able to make it enough for you to be open wide, no

And every time you speak her name

does she know how you told me you'd hold me until you die, 'til you die

but you're still aliveAnd I'm here to remind you

of the mess you left when you went away

it's not fair to deny me

of the cross I bear that you gave to me

you, you, you oughta know

You seem very well, things look peaceful

I'm not quite as well, I thought you should knowDid you forget about me Mr. Duplicity
I hate to bug you in the middle of dinner

But it was a slap in the face how quickly I was replaced

And are you thinking of me when you fuck her'Cause the love that you gave that we made wasn't able to make it enough for you to be open wide, no

And every time you speak her name

does she know how you told me you'd hold me until you die, 'til you die

but you're sill aliveAnd I'm here to remind you

of the mess you left when you went away

it's not fair to deny me

of the cross I bear that you gave to me

you, you, you oughta know

'Cause the joke that you made in the bed that was me

And I'm not gonna fade as soon as you close your eyes, and you know it And every time I scratch my nailsdown someone else's back I hope you feel it... well can you feel it

> Well I'm here to remind you of the mess you left when you went away it's not fair to deny me

of the cross I bear that you gave to me

you, you, you oughta know

I'm here to remind you

of the mess you left when you went away

it's not fair to deny me

of the cross I bear that you gave to me

you, you, you oughta know
