

Terrible Love (Alternate Version)

The National

It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in
It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in Its quiet company
Its quiet company It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in
It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in Its quiet company
Its quiet company
Its quiet company
And I can't fall asleep
Without a little help
It takes a while to settle down my shivered bones
Until the panic's out It takes an ocean not to break
It takes an ocean not to break
It takes an ocean not to break
It takes an ocean not to break company
It's quiet company
It's quiet company
It's quiet company And I won't follow you
Into the rabbit hole
I said I would, but then I saw your shivered bones
They didn't want me to
It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in
It's a terrible love and I'm walking with spiders
It's a terrible love and I'm walking in It takes an ocean not to break
It takes an ocean not to break
It takes an ocean not to break
