

# My Time

## Fabulous

"My Time"  
(feat. Jeremih) Yea  
Go hard, today  
The past is the past you know  
Can't worry the past cause that yes-sterday  
It's a new day bro  
Ima put it on the line cause it's my time  
My day, gotta do it now  
Hey hey hey heey  
I gotta stay on my grind cause it's my time (hey),  
My time (hey), my time (hey)  
If your with me let me hear you say, common  
Ma ma, ma ma, (dah dah dah dah)  
If your with me let me hear you say  
Ma ma, ma ma, (dah dah dah dah)  
It's my time  
Guess what time it is? My, my, my time  
You can check your iPhone, bet it say it's iTime  
I don't even need a watch, I don't even see a clock  
Soon as a I walk in, it feel like me o'clock  
Give me a clock, Every time I check  
Singers don't measure up, and try and blame the Pyrex  
Damn, ima do it bigger than a 5-ex  
Can't ride with an L, so I don't drive lex  
Games so bickery, so full of trickery  
Nursery, rhyming, hickory, dickory  
Blowing that side, the hood call it pickory,  
Biggie, puffy, busta victory  
Go hard, today  
Can't worry the past, cause that yes-sterday  
Ima put it on tonight cause it's my time  
Hey hey hey heey  
I gotta stay on my grind cause it's my time (hey),  
My time (hey), my time (hey)  
If your with me let me hear you say, common  
Ma ma, ma ma, (dah dah dah dah)  
If your with me let me hear you say  
Ma ma, ma ma, (dah dah dah dah)  
It's my time My time is more like fly time  
Don't call to get dressed, call it in a sky time  
If you aint a pilot, you probly couldn't style it  
Unless you was a stewardess, you wonder what to do with this

First I take the time out, then I put the time in  
Money aint everything, it's more about the timing  
So I got the water mark, Flawless diamonds  
In other words that's called perfect timing  
I feel like a favour, I feel like a savour  
They clock in my neck, I feel like im flavour  
I go so hard, glow so god  
Dance, scream Oh now I know mine, it's been a few years  
Know ive seen bout time  
You know ive got committed with the system up in the zone  
Sign the dotted liiine  
Now is on, so ya'll better check your wrist piece  
Why? Cause its time to make history  
Just hop in here, bullets history  
Howda, howda, howda hell you gonna evict me?  
You know im here stay, never cocky now  
With bottles we poppin now, no telling where we stopping now  
And I represent the chick a g o  
On the track with F A B O  
You know we
