Change (In the House of Flies)

Deftones

I watched you change Into a fly I looked away You were on fireI watched a change in you It's like you never had wings Now, you feel so alive I've watched you changeI took you home Set you on the glass I pulled off your wings Then I laughedI watched a change in you It's like you never had wings Now, you feel so alive I've watched you change It's like you never had wingsAah, aah, aah, aah Aah, aah, aah, aah Aah, aahI look at the cross Then I look away Give you the gun Blow me awayI watched a change in you It's like you never had wings Now, you feel so alive I've watched you changeNow, you feel alive You feel alive You feel alive I've watched you changeIt's like you never had wings Aah, aah, aah, aah Aah, aah, aah, aah Aah, aahYou've changed You've changed You've changed
