

# Vlad the Impaler

## Kasabian

Face check I walk this beach  
I'm frying in the heat in the cauldron stir me  
Chop down my diamond teeth I ain't got  
The simple things in life have been lost  
You have got to witness  
This is your last retreat  
My last repeat All my friends are as sharp as razors  
cut you down if you touch the faders  
High class girls hung in elevators  
Now we have got the floor Damn! Get loose, get loose  
Get loose, get loose  
Get loose, get loose  
Get loose, get looser  
Get loose, get loose  
Get loose, get loose  
Get loose, get loose  
Get loose, get looser You can't miss me I'm still alive  
Snake skin shoe'd I'm pleading homicide  
Come on and feel this I'm still alive  
Joker meet you on the other side Banshie I hear you call  
We need to raise the dead we need to raise the people!  
Cut throat this blood runs thick  
It is true  
The simple things in life have been lost  
You have got to witness  
We are the last beatniks  
The lost heretics  
All my friends are as sharp as razors  
cut you down if you touch the faders  
Listen up all you masqueraders  
Now we have got the floor  
Now we have got the floor Get loose, get loose  
Get loose, get loose  
Get loose, get loose  
Get loose, get looser Get loose, get loose  
Get loose, get loose  
Get loose, get loose  
Get loose, get looser Get loose, get loose  
Get loose, get loose  
Get loose, get loose [yeah]  
Get loose, get loose [yeah]  
Get loose, get loose [yeah]

Get loose, get looserDie!Get loose, get loose  
Get loose, get loose  
Get loose, get loose  
Get loose, get looserGet loose, get loose  
Get loose, get loose  
Get loose, get loose  
Get loose, get looserYou can't miss me I'm still alive  
Snake skin shoe'd I'm pleading homicide  
Come on and feel this I'm still alive  
Joker meet you on the other side[This is your life]Get loose, get loose  
Get loose, get loose  
Get loose, get loose  
Get loose, get looser
