

# The Giver

## Duke Dumont

You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna, makes me wanna  
Although my heart is closed, my eyes are opened wide  
Looking for that magic song to keep me warm inside  
I've been so long alone, a wall around my heart  
Waiting for that someone  
I've been knocked down and out time and time again  
So many fools in love who only bring the pain  
So many times I thought I'd always be alone  
But you're that special someone, someone  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna, makes me wanna  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wannaWanna give, give it  
Makes me wanna give it  
Wanna give, give it  
Makes me wanna give itWanna give, give it  
Wanna give, give it  
Wanna give, give itYou're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna, makes me wanna  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna give it  
You're the special soul who makes me wanna, makes me wanna give itMakes me wanna give it  
Wanna give, give it  
Makes me wanna give it  
Wanna give, give itMakes me wanna give it  
Makes me wanna give it  
Makes me wanna give it  
Makes me wanna give it
