

# Lyte As a Rock

## MC Lyte

I am the lyte a-a-a-a-a-as-as-a-rock l-y, l-l-y-t-e  
(repeat 3x)[milk]

Do you understand the metaphoric phrase 'lyte as a rock? '

It's explaining, how heavy the young lady is  
You know what I'm saying king?[king of chill]  
Yes my brother, but I would consider 'lyte as a rock'  
A simile because of the usage of the word 'as'  
And now, directly from the planet of brooklyn  
Mc lyte -- as a rock!

[mc lyte]

Must I say it again, I said it before  
Move out the way when I'm comin through the door

Me, heavy? as lyte as a rock  
Guys watch, even some of girls clock  
Step back, it ain't that type of party  
No reply if you ain't somebody  
Get out my face, don't wanna hear no more  
If you hate rejection, don't try to score  
First base? you ain't got what it takes  
You smile, you wink, you big fake flake  
You're so pathetic you make my stomach turn

You beg, you borrow, now you have to learn I am the lyte a-a-a-a-a-as-as-a-rock l-y, l-l-y-t-e  
(repeat 2x)

[mc lyte]

Lyte as a rock, or I should say a boulder  
Rolling down your neck, pounding on your shoulders  
Never shall I be an emcee, called a wannabe

I am the lyte, l-y-t-e

This is the way it is, don't ever forget  
Hear the rhyme by someone else and you know they bit  
All in the way, just little obstacles

Chew em up, spit em out, just like popsicles  
Suckers out of my way, we're not on the same wavelength

I show stability, potential and strength

On the other hand, you are weak and unruly

Could never be a spy, cause you're just a plain stoolie I am the lyte a-a-a-a-a-as-as-a-rock l-y,  
l-l-y-t-e

(repeat 2x)[mc lyte]

I'm a slave, I'm a slave, I'm a slave to the rhythm  
Def rhymes on the micaphone is what I'm givin

Yes I am a rock and you are just a pebble  
Milk turn up the base, and rock adjust the levels

If a rap can paint a thousand words then I can paint a million  
Wait, lyte is capable of paintin a bazillion raps  
So when I say it, this is what I mean  
Audio two an alliance on the scene  
And I'd like to say whassup to my producer king of chill  
Party people are you ready, jam if you will  
Never underestimate lyte the emcee; I am a rapper who is here  
To make the things the way they're meant to be  
The world ultimate, I'm here to take the title  
But I had a little trouble upon, my arrival  
But I got rid of those who, tried to rock me  
Lyte is here, no one can stop me I am the lyte a-a-a-a-a-as-as-a-rock l-y, l-l-y-t-e  
(repeat 2x)[mc lyte]  
There are hip-hop leaders, this you know  
We also have, hip-hoppers that follow  
By the tone of my voice, you can tell I am a scholar  
I'm also the leader of the hip-hop followers  
Now get this, I'm at a jam and I'm rockin it  
Suckers like a checkerboard, when black is clockin it  
The grace as I ease across the stage  
Bars around the audience, sort of like a cage  
They laugh, cause they assume I'm in prison  
But in reality, they're locked in  
Once again I'll state that I can't be stopped  
Cause yo, I am as lyte, as, rock! I am the lyte a-a-a-a-a-as-as-a-rock l-y, l-l-y-t-e  
(repeat 6x) I am the lyte a-a-a-a-a-as-as-a-rock l-y, l-l-y-t-e  
(repeat 4x) I am the lyte a-a-a-a-a-as-as-a-rock l-y, l-l-y-t-e  
(repeat 4x to fade)
