

# Hearsay

Calvin Richardson

You make me feel like I am moving, but I'm standing still  
You make what's fake seem so real  
You got my heart that's the deal  
You're the perfect start to the rest of my day  
They say love is blind girl everybody can see  
And love sometimes we lose  
I got a good, I'm counting on you babe  
That stuff they talk about is irrelevant  
That's just hearsay oh baby  
Say I got another lover, but I don't roll that way  
Baby what I'm trying to say  
It's all about me  
It's all bout you  
Don't give a damn about what they say  
Girl I'm gonna love till my last day  
It's all about me  
It's all bout you  
Girl they don't know me that's just hearsay  
Promise I love you girl like always They can't stand it baby cause we're so happy  
With the life we live something they're all trying to fill  
All of the guys wanna steal you  
They closing cause they throw your way  
Every day wasted time girl  
Can't they see it's so pathetic what they do,  
So sad, baby trying to get with you  
You got the kind of loving that make a grown man feel cool, aw baby, you do  
To let them rob us of this joy, i'll be a damn fool lady yeah  
It's all about me  
It's all bout you  
Don't give a damn about what they say  
Girl let's just focus on this love thing  
It's all about me  
It's all bout you  
Girl they don't know me that's just hearsay  
Promise I'll love you girl like always Don't let somebody's insecurities cloud up our sunshine  
(my heart is yours your heart is mine) pay no attention to that foolery, happiness is on the line,  
this love is true  
It's all about me  
It's all bout you  
Don't give a damn about what they say  
Promise I'll love you girl like always  
It's all about me

It's all bout you  
Girl they don't know me that's just hearsay  
Girl let's just focus on this love thing  
It's all about me  
It's all bout you  
Don't give a damn about what they say  
Girl I'm gone love till my last day  
It's all about me  
It's all bout you  
Don't give a damn about what they say
