Pity Party

Melanie Martinez

Did my invitations disappear? Why'd I put my heart on every cursive letter? Tell me why the hell no one is here Tell me what to do to make it all feel better Maybe it's a cruel joke on me Whatever, whatever Just means there's way more cake for me Forever, foreverIt's my party and I'll cry if I want to Cry if I want to (cry, cry, cry) I'll cry until the candles burn down this place I'll cry until my pity party's in flames It's my party and I'll cry if I want to Cry if I want to (cry, cry, cry) I'll cry until the candles burn down this place I'll cry until my pity party's in flames Maybe if I knew all of them well I wouldn't have been trapped inside this hell that holds me Maybe if I casted out a spell Or told them decorations were in pastel ribbons Maybe it's a cruel joke on me Whatever, whatever Just means there's way more cake for me Forever, foreverIt's my party and I'll cry if I want to Cry if I want to (cry, cry, cry) I'll cry until the candles burn down this place I'll cry until my pity party's in flames It's my party and I'll cry if I want to Cry if I want to (cry, cry, cry) I'll cry until the candles burn down this place I'll cry until my pity party's in flames I'm laughing, I'm crying It feels like I'm dying I'm laughing, I'm crying It feels like I'm dying I'm laughing, I'm crying It feels like I'm dying I'm dying, I'm dyingIt's my party and I'll cry if I want to It's my party and I'll cry if I want toIt's my party and I'll cry if I want to Cry if I want to (cry, cry, cry) I'll cry until the candles burn down this place I'll cry until my pity party's in flames It's my party and I'll cry if I want to

Cry if I want to (cry, cry, cry) I'll cry until the candles burn down this place I'll cry until my pity party's in flamesIt's my party, it's-it's my party It's my party, it's-it's my party It's my party and I'll cry if I want to Cry if I want to (cry, cry, cry, cry, cry) Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
