EPIC RAP BATTLES OF HISTORY

BOB ROSS

V.S

PABLO PICASSO

BEGIN!

Picasso: I am the greatest  
the modern art Muhammed Ali.

I melt faces  
call me MC Dali.

Your whole body of work is a fluffy mountain of crap.  
You're the PBS version of Nickelback.  
But I think you must be a genius  
because with zero training  
you made millions teaching people how to suck at painting.  
Why don't you go home and beat your brush, you chump?  
I could make better art with my wiener  
Lump.

Ross: I'm so glad you could join me today.  
So I could teach you how to feel some joy when you paint.  
You're a moddy little genius  
always so serious.

I know  
you must be on your Blue Period.  
Your work is melancholic.  
I'm painting happy little trees.  
Call me Jackson Pollack  
because I scatter MC's  
with the voice that soothes  
so let's do this.

I twist you up like you're Rubik's cubist.

Picasso: Don't use that word  
like you know what it is.  
You painted 30, 000 pictures of  
bushes and sticks.

Does your audience know  
that you stole your whole show?  
You just ripped off your teacher  
and added an afro.

My name is  
Pable Diego  
José Francisco de Paula  
Juan Nepomuceno María

de los Remedios Cipriano  
de la Santísima Trinidad  
Ruiz y Picasso.

Back  
to  
you  
Bob.

Ross: Bob is droppin' bombs like this is Guernica.

Served 20 years.

Air Force

United States of America.

My technique will make your mistress weep.

Elbow drop her dreams

I go deep.

And I

keep it mellow

like so cadmium yellow.

I'm a bright like titanium white

kind of fellow.

Don't believe in mistakes.

Unless you step to me.

Yo Pablo

you just got your happy little ass beat.
