

Heart On the Floor (feat. Dia Frampton)

The Summer Set

I was at an all time low on the night you walked in,
You were just close enough to smell the whiskey on my breath,
And I didn't know why you were alone, But you ain't leaving that way,
I threw back one more drink before I asked for your name,
I said hey hey why you actin' so sorry,
Hey hey who put that look on your face, I don't wanna leave this bar until I get your number,
If im being honest I can't wait to get you home,
But Im not like the others I will check the mornin' after,
I won't go dropping your heart on the floor
