

# Happy

## Gabbie Hanna

Hi baby, what's up? I've always found my comfort in the chaos

I see the beauty in my pain

Now I'm stuck searchin' for new inspiration

Since you made your way in my brain I'm too happy

I'm way too, way too, way too fuckin' happy

I'm way too, way too, way too happy, sadly

All this feelin' glad is feelin' sappy

If you ask me, I'm too happy

You make me way too, way too fucking happy

I'm tryna find the way to say this nicely

But can't I just go back to bein' sad, please?

I'm antsy

I'm too happy

Oh oh oh

Oh oh oh oh

Oh oh oh

Da-di-da-da

Da-da-da-da

Da-da-da-da-da We were a slow burn to a gas tank, honey

You told me I was worth the wait

I wasn't looking for you, still, you found me

But this explosion feels too great I'm too happy

I'm way too, way too, way too fuckin' happy

I'm way too, way too, way too happy, sadly

All this feelin' glad is feelin' sappy

If you ask me, I'm too happy

You make me way too, way too fucking happy

I'm tryna find the way to say this nicely

But can't I just go back to bein' sad, please?

I'm antsy

I'm too happy

Oh oh oh

Oh oh oh oh

Oh oh oh

Da-di-da-da

Da-da-da-da

Da-da-da-da-da That's not to say, my dear, that I don't love you

You're perfect, please don't get me wrong

The truth is I just couldn't live without you

But I can't write that in a song (oh, shit) I'm so happy

I'm so, I'm so, I'm so, I'm so happy

I'm so, I'm so, I'm so happy, finally

All this feeling glad is feeling dandy  
If you ask me  
I'm so happy  
You make me so very fucking happy  
Without you, I just don't know where I would be  
When the world is crumbling around me  
You got me  
I'm so happy Oh oh oh (I'm so happy)  
Oh oh oh oh (I'm so happy)  
Oh oh oh  
Da-da-da-da  
Da-da-da-da  
Da-da  
I'm so happy
