

Secret Meeting

The National

I think this place is full of spies
I think they're onto me
Didn't anybody, didn't anybody tell you
Didn't anybody tell you how to gracefully disappear in a room
I know you put in the hours to keep me in sunglasses, I know And so and now I'm sorry I
missed you
I had a secret meeting in the basement of my brain
It went the dull and wicked ordinary way
It went the dull and wicked ordinary way
And now I'm sorry I missed you
I had a secret meeting in the basement of my brain
I think this place is full of spies
I think I'm ruined
Didn't anybody, didn't anybody tell you
Didn't anybody tell you, this river's full of lost sharks
I know you put in the hours to keep me in sunglasses, I know And so and now I'm sorry I
missed you
I had a secret meeting in the basement of my brain
It went the dull and wicked ordinary way
It went the dull and wicked ordinary way
And now I'm sorry I missed you
I had a secret meeting in the basement of my brain
And now I'm sorry I missed you
I had a secret meeting in the basement of my brain
It went the dull and wicked ordinary way
