## Think About Me (Single Version)

## **Fleetwood Mac**

All it took was a special look And I felt I knew you before I didn't mean to love you Didn't think it would work outBut I knew we would be together And I couldn't wait for more But what can they say It's not against the lawI don't hold you down Maybe that's why you're around But if I'm the one you love Well think about me I believe that you really want me But it's not easy, just to give in So let yourself go and let love beginI don't hold you down Maybe that's why you're around But if I'm the one you love Well think about meI don't hold you down Maybe that's why you're around But if I'm the one you love Well think about meBaby, once in a while Now think about me Baby, once in a while Think about me Baby, once in a while Don't you think about me Every, every once in a while Think about me
