Islands in the Stream (with Kenny Rogers)

Dolly Parton & Kenny Rogers

Baby, when I met you there was peace unknown I set out to get you with a fine tooth comb I was soft inside, there was somethin' going onYou do something to me that I can't explain Hold me closer and I feel no pain Every beat of my heart We got somethin' goin' onTender love is blind It requires a dedication All this love we feel Needs no conversation We ride it together, ah-ah Makin' love with each other, ah-ah Islands in the stream That is what we are No one in-between How can we be wrong Sail away with me to another world And we rely on each other, ah-ah From one lover to another, ah-ahI can't live without you if the love was gone Everything is nothin' if you got no one And you did walk in tonight Slowly loosen' sight of the real thingBut that won't happen to us and we got no doubt Too deep in love and we got no way out And the message is clear This could be the year for the real thing No more will you cry Baby, I will hurt you never We start and end as one, in love forever We can ride it together, ah-ah Makin' love with each other, ah-ahIslands in the stream That is what we are No one in-between How can we be wrong Sail away with me to another world And we rely on each other, ah-ah From one lover to another, ah-ahSail away Oh, come sail away with meIslands in the stream That is what we are No one in-between How can we be wrong Sail away with me to another world And we rely on each other, ah-ah From one lover to another, ah-ahIslands in the stream
