## **Today I Started Loving You Again**

## **Buddy Jewell**

Today I started loving you again I'm right back where I've really always been I got over you just long enough to let my heartache mend And then today, I started loving you againWhat a fool I was to think I could get by With only these few millions tears I cry I should have known the worst was yet to come And that crying time for me had just begun'Cause today I started loving you again I'm right back where I've really always been I got over you just long enough to let my heartache mend And then today I started loving you again Well today I started loving you again I'm right back where I've really always been I got over you just long enough to let my heartache mend And then today I started loving you again I'm right back where I've really always been I got over you just long enough to let my heartache mend And then today I started loving you again I'm right back where I've really always been I got over you just long enough to let my heartache mend And then today I started loving you again And then today I started loving you again
