I'll See the Light Tonight

Yngwie Malmsteen

I've seen visions in the night, passing through the stars Who's to run and who's to fight? Evil tries to pull me in, enslaving me to die Who's to lose and who's to winI'll see the light, tonight Flashing through the sky Take my life, tonightNow, the chaos has begun, people crying out You're all alone, you gotta run Victims of circumstance, not able to decide No, we never had a chanceI'll see the light, tonight Flashing through the sky Take my life, tonightEvil tries to pull me in, enslaving me to die Who's to lose and who's to win Victims of circumstance, not able to decide No, we never had a chanceI'll see the light, tonight Flashing through the sky Take my life, tonight Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
