

Loud

R5

Looking for the one tonight, but I can't see you
cause I'm blinded by all the lights, oh
and I can't ever get it right, I need a breakthrough
why are you so hard to find I've been searching every city never giving up
till I find my angel diamond in the rough
looking for a signal baby turn it up tonight Come on get loud loud let it out, shout it out from the
rooftops
come on get loud till they shut us down
come on get loud loud let it out, show me everything that you got
come on get loud loud I need you now, baby let me hear it loud
na na na na na na, na na na na na na, na na na na na na
Looking for the light to shine, start a fire
and girl I'll be the first in line, oh and baby when the stars align,
we can't get no higher, you just give me a sign Come on get loud loud let it out, shout it out
from the rooftops
come on get loud till they shut us down
come on get loud loud let it out, show me everything that you got
come on get loud loud I need you now, baby let me hear it loud
na na na na na na, na na na na na na, na na na na na na
na na na na na na, na na na na na na, na na na na na na
looking for the one tonight Come on get loud loud let it out, shout it out from the rooftops
come on get loud till they shut us down
come on get loud loud let it out, show me everything that you got
come on get loud loud I need you now, baby let me hear it loud
Na na na na na na, na na na na na na, na na na na na na
Baby let me hear it loud
na na na na na na, na na na na na na, na na na na na na
Baby let me hear it loud
na na na na na na, na na na na na na
I've been looking for the one tonight
