

# Don't Threaten Me With a Good Time

Billy Dean

(Kosta Bobby Boyd/ Dean Mealer) You're so good lookin' it ought to be against the law  
You got that look in your eyes  
Could make a man stumble and fall  
You got my attention 'cause honey you got it all  
And if you wanna do something about it just lead me on. Don't threaten me with a good time  
I'm feelin' good and you're lookin' so fine  
I'll take a chance honey I don't mind  
Don't threaten me with a good time.  
Come on baby  
Go ahead and break my heart  
I got a little piece left so go ahead and take your best shot  
Let's get started lay it all on the line  
And before the night is over girl you are goin' to be mine.  
Don't threaten me with a good time  
I'm feelin' good and you're lookin' so fine  
I'll take a chance honey I don't mind  
Don't threaten me with a good time. Your locomotion could stop a train  
The way you move could drive a man insane  
I heard every word that's on your mind.
