

Swallowed

Bush

Warm sun, feed me up
And I'm leery, loaded up
Loathing, for a change
And I slip some, boil away Swallowed, followed
Heavy 'bout everything but my love
Swallowed, sorrowed
I'm with everyone and yet not
I'm with everyone and yet not
I'm with everyone and yet Just wanted to be myself
Hey you said you would, love to try some
Hey you said you would love to die some
In the middle of a world on a fishhook
You're the wave
You're the wave
You're the wave Swallowed, borrowed
Heavy 'bout everything but my love
Swallowed, hollowed
Sharp about everyone but yourself Swallowed, oh no
I'm with everyone and yet not
I'm with everyone and yet not
I'm with everyone and you're not
I'm with everyone and yet Piss on, self-esteem
Forward, busted knee
Sick head, blackened lungs
And I'm simple, selfish son
Swallowed, followed
Heavy 'bout everything but my love
Swallowed, oh no
I'm with everyone and yet not
I'm with everyone and yet not
I'm with everyone and yet not Got to get away from here
Got to get away from here
Got to get away from here
Got to get away from here Miss the one that I love a lot
I miss the one that I love a lot
I miss the one that I love a lot, a lot
